Tamara,

I miss you more than words can say. I love you more each and every day. I cannot believe you would be 45 this year. It's been 15 years since you left it just doesn't seem possible but you are with me all the time. We will never real-ly part. There isn't a day that goes by that I don't sit and wonder why?

But I know you are
safe up above and
we will always
share our love.
Love your Mom
4Ever xoxo

Happy Birthday beautiful Katina! May all of our Angels dance with you today and enjoy your chocolate mousse cake! You touched so many people with your kindness and beautiful heart. May your radiant smile keep shining over all of us, especially your Mom & Dad! You are deeply loved and missed!

To Those I Love

When I am gone, release me, let me go. I have so many things to see and do. You mustn't tie yourself to me with tears, be happy that we had so many years. I gave you my love. You can only guess how much you gave me in happiness. But now it's time I traveled on alone. So grieve a while for me if grieve you must then let your grief be comforted by trust. It's only for a while that we must part so bless the memories within your heart. I won't be far away, for life goes on so if you need me, call and I will come. Though you can't see or touch me, I'll be near and if you listen with your heart, you'll hear all of my love around you soft and clear. And then, when you must come this way alone, I'll greet you with a smile, and say "Welcome Home."

Abigail Rachel Marder - Loved and Missed Forever.
We think of you always, especially this month when we
commemorate your Angelversary.
Always with us in our hearts
Mom & Dad
