## HAPPY BIRTHDAY MITCHELL KRAUSS

### Memories of Your Face

I woke up this morning  
Finding everything in a haze  
Wiping tears from my eyes  
I see your smiling face

I reached out and touched you Yet  
all I could feel was pain You felt  
nothing  
From your life within a frame I  
spoke-receiving no reply  
I told you that I loved you  
I asked you why?  
I'll never have another  
No one to take your place All I  
have, my son  
Are memories and the picture of  
your face.

## Telephone Friends

The people listed as tele-phone friends are there be-cause they are bereaved parents and siblings who have had been bereaved for a while and therefore they have the ability to "hear" your pain. These friends are there to listen. Don't hesitate to call when you need to. They are our compassionate friends.

**To my Special Angel Frankie,**  
Thanksgiving is so empty without you.  
I know it was your favorite day of the year.  
Time cannot heal the emp-tiness, as I see your empty chair.  
I try to sit there being still, to feel and imagine you are near.  
Even though the pain in my Heart takes my breath away,  
I would have signed up to be your mother 1000000 times anyway.  
So, when you see that emp-ty chair that's brand new, Save it for me until I'm home again and I'll be right with you.  
As we always started & ended our Thanksgiving Day my son, Gobble, Gobble, eat, watch football, sleep. And repeat it all day.

Love you till  
my last breath  
Mama  
(Susan Kalansky)

I walk the Boardwalk  
The birds are chirping  
The sun is hot  
The sky is blue  
My thoughts are bleak  
My mind wonders  
It's just a mirage  
Nothing is the same  
No one sees my pain  
My steps are heavy  
I am trying to find the answers  
To the catastrophe of life  
I smile I walk I put on big sun-  
glasses  
Trying to cover my tears  
I sm learning to cope with the  
grief  
Words can't express my sorrow  
I long for yesterday  
I long for peace of mind  
No more turmoil  
No more pain  
No more peace of mind.

IT'S OKAY

It's okay  
To cry,  
To not cry,  
To feel guilty,  
to not feel guilty,  
To be angry,  
To stop being angry,  
To seek answers,  
To feel responsible,  
To feel sorry for yourself,  
To be mad at your child,  
To feel misunderstood,  
To reach out for help,  
To let out your pain,  
To care what people think.  
Tonot care what others think,  
To let go of your child's death,  
To embrace your child's life,  
To lose your expectations,  
To grieve any way you want,  
To give yourself a break,  
To believe in signs,  
To stop hating,  
To forgive,  
To smile without guilt,  
To find joy,  
To heal,  
To begin to live again,  
To laugh,  
To love yourself,  
It's okay, it's all okay.

**I hide my tears when I say  
your name, but the pain in my  
heart is still the same.  
Although I smile and seem  
carefree there is no one  
misses you more  
that I miss you. Love  
you Sonny , Mom.**

## A letter to my Big Brother Craig

I still can't believe it's been 3 years that have gone by without you. Everyday it becomes a little bit harder, I guess it's because more time is passing by without you. You were my best friend, my big brother, my protector. You were and still are everything to me. This pain cuts like a knife, a pain I wish on no one. Everyday day I wish that this was all just a nightmare that I'm going to eventually wake up from. Every-day I wish harder and harder that you will come back to me. Life has changed since you left and it wont ever be the same without you. Melania misses you so much, she talks about you all the time, I promise I won't ever let her forget you. You would be in awe of how incred-ible your niece is and how in tune she is with you. Breaks my heart everyday that she doesn't have you as her protector as I did, but I know your still protecting from afar.

When I speak to you I wish you would answer and just tell me your ok, your happy, and that your pain and fears have gone away. That the sun does shine bright again. I miss you so much, more then i could ever put into words. I keep pushing on because I know that's what you want me to do, but it's so hard Craig. Mommy, Daddy, Me and Lani will never let your memory fade. We will never put you aside or forget how much you mean to all of us. We treasure you and your memory. We miss you and we love you forever. Stay with me big brother always and I will always be my brothers keeper. Sleep in peace my angel, until I see you again.

**Love Always and  
Forever Your little sister  
Krystle**
